Technology Summit
15-16 October 2019 : New Delhi

'Co-creating innovative solutions for global challenges'

FREQUENTLY ASKED QUESTIONS (FAQs)

WHAT IS THE INDIA-NETHERLANDS TECHNOLOGY SUMMIT 2019?

The India-Netherlands Technology Summit 2019 is the Silver Jubilee edition of the iconic annual conference-cum-exposition organised jointly by the **Confederation of Indian Industry (CII)** and **Department of Science & Technology (DST)**, Government of India. The summit is a celebration of the best in technology and scientific research across key areas. The India-Netherlands Tech Summit 2019 will be held at **JW Marriot, Aerocity** in New Delhi on **15 & 16 October**, 2019.

WHY SHOULD I PARTICIPATE?

1. **Celebrate existing Indo-Dutch ties:** The Tech Summit 2019 celebrates the existing Science, Technology and Innovation partnerships between India and the Netherlands. It marks an exciting decade of innovative and pioneering partnerships between our 2 countries.
2. **Stimulate new opportunities:** Explore opportunities for proof of concept and pilot projects – which can reduce time-to-market - and directly interact, build business and research relationships with potential partners from India and the Netherlands.
3. **Explore Indo-Dutch solutions for global challenges:** With the aim to 'Co-create innovative solutions for global challenges' and achieve the United Nations Sustainable Development Goals (SDGs) by 2030, the Tech Summit 2019 focuses on finding new Indo-Dutch solutions to shape the future and tackle societal issues such as climate change, food security or affordable healthcare.
4. **Connect with scientific and entrepreneurial ecosystems:** Engage with the best of entrepreneurial and scientific minds from both countries focused on affordable and scalable solutions and/or connect to funding opportunities in upcoming bilateral calls in agriculture, water & health.
5. **Forge new Public-Private Partnerships:** Explore new cooperative arrangements and PPPs between Indian and Dutch governments, academia and businesses in areas including water management, agriculture, healthcare, cybersecurity and creative industries.

WHAT'S IN STORE?

In-depth thematic sessions
B2B & B2G matchmaking
Policy discussions
Tech talks, Pitching Sessions and Workshops
Immersive Experience and Expo Zone
Tech Leadership Forum

WHAT ARE THE FOCUS THEMES?

Cross-cutting Public-Private Partnerships (PPPs)
NEXUS of Water-Agriculture-Health
Entrepreneurship
Enabling Technologies
Big Data, Artificial Intelligence, IoT
Cybersecurity
Design Thinking
Education
Geo Data & Space

WHO IS PARTICIPATING?

Indian and Dutch:

1000+ participants
High-level political representation
Captains of Industry
Knowledge Institutions
